## The Roof Forum – a gateway to European and global markets.

The January Congress and Expo for Roofers, Tinsmiths and Carpenters Roof Forum is a permanent fixture in the calendars of thousands of professionals. Every year, business insiders visit Targi Kielce to learn about a wide range of products and services showcased by roofing sector companies. The annual event is a real celebration of crafts. This is one-stop-shop for exchanging experiences and presenting new products and premieres. We look forward to your participation in the 4th ROOF FORUM.
