Discover Slevori: Master Artisans of Silversmithing Since 1994

With a rich heritage dating back to 1994, Slevori stands at the forefront of silversmithing, not only in Greece but internationally. Our journey began with a deep respect for Christian customs and traditions, leading us to craft exquisite icons. This dedication led to the creation of a vertically integrated production unit, ensuring excellence at every step.

Exquisite Craftsmanship and Unmatched Customer Service

At Slevori, we believe in delivering exceptional customer service, harmoniously blending quality and affordability. Our skilled design team, utilizing premium raw materials and advanced techniques, creates bespoke masterpieces that reflect your unique tastes and requirements.

A Passion for Creation and Innovation

Driven by our passion for creativity, we have expanded our offerings to include elegant frames, charming children's items, and sophisticated wedding accessories. Our latest venture into the jewelry sector showcases our commitment to quality and aesthetics, presenting a stunning array of unique pieces designed to captivate even the most discerning customers.

Explore the world of Slevori, where tradition meets innovation, and every creation is a work of art.
