F O R N I I N D U S T R I A L I

- ▣ **Year of Founding:** 1950
- ▣ **Our Location:** 12040 Sant'Albano Stura – Cuneo – Italy
- ▣ **Number of Employees:** 22
- ▣ **Company Surface:** 4000m² indoor
- ▣ **Production of Combustion and Electrical Furnaces**
 - Tower Melting Furnaces (Fixed & Tilting)
 - Melting & Holding Furnaces (Fixed & Tilting)
 - Holding Furnaces (Fixed & Tilting)
 - Crucible Furnaces (Fixed & Tilting)
 - Ladles/Ladle Heaters/Channels
 - Foundry Accessories
- ▣ **Customized Furnaces**
- ▣ **Operating Worldwide**
- ▣ **Maintenance and Assistance**
- ▣ **Over 1000 customers around the globe**

F O R N I I N D U S T R I A L I

Our History:

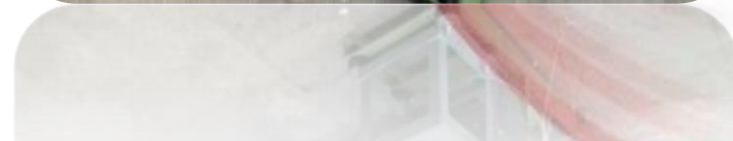

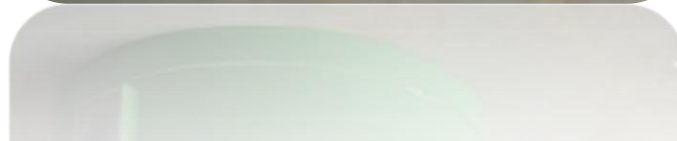

- 1950** Begun foundry activities in Fossano
- 1979** Opened new headquarters in Sant'Albano Stura and begun foundry activities in diecasting
- 1981** Begun construction of furnaces for internal use
- 1983** Begun commercialization for third parties into the Italian market
